

The 1608 Hybrid Solution

 Mutoh ValueJet 1608 Hybrid Printer

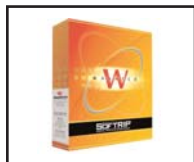

Mutoh ValueJet 1608 Hybrid Printer

Mutoh ValueJet 1608 Hybrid is a unique and versatile 64-inch environmentally friendly flatbed printer for printing on both indoor and outdoor high quality prints as well as rigid substrates. The ValueJet 1608 Hybrid incorporates the patented I² technology with a high printing speed of up to 145 ft²/hr and a maximum resolution of 1440 dpi. In addition, the ValueJet 1608 is packed with great features including a full working table and the ability to help preserve Earth's nature.

 Mutoh MUBIO Inks

Mutoh MUBIO Inks

The MUBIO ink is a revolutionary, high quality and environmentally friendly ink produced specifically for the ValueJet 1608 Hybrid printer. The MUBIO ink is recognized by the EPA Design for the Environment program. The MUBIO ink is composed of 80 percent plant derived substances, contains no harmful VOC's and has faster drying times. The MUBIO provides extreme durability, strong bonding to uncoated surfaces and great resistance to UV light. The MUBIO Inks is available in 4 colors (C,M,Y, K.)

 Wasatch SoftRIP

Wasatch SoftRIP

Wasatch SoftRIP includes an exclusive new control technology for precision digital color management system for the ValueJet 1608 Hybrid printers. The Wasatch's RIP software is designed for Mutoh printers and will support a productive work flow, permitting four printers to run at the same time, in addition to generating the finest color quality. The SoftRIP solution provides standard color and workflow features. No other RIP offers the range of color control and production features you will find in SoftRIP.

 GO Springer

GO Springer Display

The GO Springer is a high quality, industrial and easy to install flexible spring based display system. GO Springer is a perfect marketing tool for capturing the attention of your audience during tradeshows, outside/indoor store signage, promotional imaging, and any other application that requires you to expose the product to a market. GO Springer offers two unique sizes, the "Standard" 20" x 60" and the "Wide" 24" x 40" models.
